## Pastor's Corner

February 2017

*"It is too light a thing that you should be my servant to raise up the tribes of Jacob and to restore the survivors of Israel; I will give you as a light to the nations that my salvation may reach to the end of the earth."*  
Isaiah 49:6

In this passage from the book of the prophet Isaiah God declares that the Messiah will be more than everyone expected, not merely the savior of Israel but indeed the savior of the world, a light to the nations that my salvation **may reach** to the end of the earth. Later Jesus makes clear that his charge is also our charge. "You are the light of the world." (Matt. 5:14) This is not complicated, but it is terribly significant.

I was so thrilled when our Stewardship Committee chose for the theme of our 2017 Campaign *Extending our Reach*. Such faith! Such vision! The challenge before us is to underwrite and support the church so that we can extend the reach of our ministries and of our love. It is a worthy goal. However, I must point out that it is not an original goal. Several centuries ago, a young Anglican priest by the name of John Wesley had the idea first. He was not content to preach to the few people who came to church so he went to the wheat fields and the coal mines where the people were. He was not satisfied with ministering only to the nobility who endowed the parish churches but was committed to addressing the needs of the hurting people. Our vision in nothing if not profoundly Methodist!

What, you may ask, does extending our reach mean at Trinity? I'm glad you asked. It means embracing our tradition. It means being who we are. Let me be clear: Trinity is a great church. We are doing great ministry. But our ministry is not great enough. In can never be great enough, not so long as there are people around us who do not know Jesus Christ, not as long as there remain hurting people in our community and our city, not as long as there is more that we can do to further the cause of Jesus Christ. God has given us a tremendous mission field right here in Richmond, let us prove worthy to the task. My brothers and sisters I invite you to join me in extending our reach all to the glory of God!

Blessings,

P.S. Our mission field isn't *just* Richmond. As I write this our Honduras Mission Team is sharing God's love in tangible ways. Remember, we are the light of the world.

*"For this is what the Lord has commanded us; "I have made you a light for the Gentiles, that you may bring salvation to the ends of the earth." (Acts 13:47) Throughout our history, Trinity's story has been one of impact here in Richmond and around the world. In a world of great hurt and need that story not only continues, but indeed we must be extending our reach. The command of God to be "a light for the Gentiles and to bring salvation to the ends of the earth" has never been more urgent and pressing. The mission will take great faith and a faithful commitment of resources.*

**Extending Our Reach** is the theme of our 2017 Stewardship Campaign. Extending Our Reach kicks off on **Sunday, January 29**. It will culminate with Promise Sunday on **February 19**. During worship services on this day, members will be asked to submit their promises for financial support for the coming fiscal year. Thank you for your support of Trinity.

## Stewardship Breakfasts

The Stewardship Committee will also sponsor **breakfasts in Trinity Hall on Sunday, February 12** at both **9:30** and **11 AM**. These breakfasts will give an overview of the church's budget and ministries, and also provide an opportunity for members to ask questions. Please join us for this important event.

Is one of your "new year resolutions" to grow closer to God? Then we have a NEW class for you! We have started meeting in the library at 9:30 AM; we are studying "Defying Gravity". ## Lay Visitation Training Sessions

Want to care for others and build new relationships this year?

Come and learn about Trinity's Lay Visitation Team Ministry by attending our two training sessions **in the chapel on Sunday, February 19 and 26 at 9:30 AM.**

The first session will address spiritual issues at the heart of pastoral care. The second session will address practical issues like scheduling visits, obtaining communion kits, communicating with Trinity staff, and ethics.

Pastoral care is the work of all baptized Christians. The responsibility of caring for others belongs not just to ordained clergy, but to every member of the body of Christ.

The mission of our Lay Visitation Team Ministry is to provide pastoral care for homebound church members through the devoted and disciplined company of other Trinity members. Through monthly visits that may include caring conversation, prayer, and Holy Communion, you and another Trinity member will bring the love of God and the fellowship of our church community to those who are no longer able to make it to our church building.

For more information, please contact Bob Sommerville ([bsommerville@keitercpa.com](mailto:bsommerville@keitercpa.com)) or Drew Willson ([dwillson@trinityumc.net](mailto:dwillson@trinityumc.net))

## Music/Drama

Thanks for your time and consideration.

## Winter Weather Decisions

Making the decision to close our building based upon winter weather conditions can be a challenge.

First, the Trinity Preschool follows the Henrico County Public Schools closing decisions. If Henrico schools are closed or are on a delayed opening, then Trinity Preschool will follow the school system's plan.

For all church activities and for organizations that use the church facilities, generally, the decision to close the building will also follow the Henrico County Public Schools schedule.

**However,** our ability to re-open the building after a winter weather event depends upon how quickly we can clear our parking lots and sidewalks. If we can safely get people on to our grounds and into our building, then Trinity **might** return to normal operations quicker than the school system. As soon as the decision is made about opening/closing, we post it on our website, Facebook page, and update our phone system message.

Decisions related to closing the building on Saturdays and Sundays will be made based upon weather conditions at that time.

Questions contact Bill Pike [bpike@trinityumc.net](mailto:bpike@trinityumc.net)

## Snow Removal

When winter precipitation hits the Richmond area, our parking lots are cleared by Slurry Pavers. Sidewalks are cleared via Trinity staff and our congregational volunteers. If you have a desire to help clear out sidewalks after a winter storm, contact Bill Pike via e-mail: [bpike@trinityumc.net](mailto:bpike@trinityumc.net)

# Serve Opportunities

## 2017 Lenten Easter Mission Offering: Seeds of Resurrection

Gardeners, farmers, and any people of faith know this about winter: no matter how long the dark nights or how frozen the earth, it's never the end of the story.

Our faith story began in a garden in Genesis. It reached a breaking point in the garden of Gethsemane. It found new life in the garden of Easter resurrection. And it will conclude in the middle of the city, in a garden where the leaves of the tree are for the healing of the nations.

Though the 2017 Lenten Easter Mission Offering begins in winter, we know that we are planting seeds of resurrection for the seasons to come. Through your generosity, last year's Mission Offering brought \$34,000 to be planted in mission efforts from Forest Avenue to Africa, from Henrico to Haiti and Honduras, from Richmond to Eurasia. Thank you, and thanks be to God!

We celebrate the opportunity to give again through the 2017 Lenten Easter Mission Offering. In a wintry world, may our generosity be a source of faith and healing for the nations!

### Phones needed

Since spring of 2011, members of Trinity have donated a total of 164 cell phones to the YWCA for victims of domestic violence. The YWCA is no longer collecting phones but is requesting that donors take them to any Verizon Wireless retail store and place them in their HopeLine bins for the same purpose. HopeLine collects wireless phones, batteries, chargers, and accessories in any condition to benefit victims and survivors of domestic violence. Trinity will continue to offer a bin in Missions Central (the room down the hall from the church office toward the sanctuary) for donations of your no-longer used phones; these will then be taken to a Verizon Wireless store for HopeLine. Please erase all data and disconnect service for donated phones. This is a great way to recycle what you no longer need and could save someone's life. If you have questions, contact Anne Burch at 270-1661. 6

## What is All God's Children Camp?

Children, ages 7 to 12, with an incarcerated mother or father, spend a week at camp, participating in activities such as boating, swimming, hiking, archery, music, crafts, Bible study, and conflict resolution. Partnering with Virginia United Methodist camps, All God's Children Camp provides a week of sanctuary for children who face so many challenges in their lives: economic poverty, temporary living conditions, loneliness, low self-esteem, violence and drugs.

There are many ways you can volunteer for camp and we definitely need all the help we can get. Some ways to help are:

- Pray
- Sign up to become a mentor
- Provide Supplies
- Sign up to drive campers to camp
- Monetary donations

Please contact Lori Smith at [lttlelori@gmail.com](mailto:lttlelori@gmail.com) or by phone, 571-245-9591 if you would like more information.
